ABOUT

Founded in 1992, with the objective to serve the farming community in India, Heritage Foods is today one of the leading Dairy companies in India, with a diversified product portfolio, including milk and many milk based value added products.

The company's milk and milk products, such as curd, ghee, paneer, flavoured milk, and immunity milk, among others, are consumed by more than 1.5 Mn households on a daily basis in 11 states across India. It enjoys long-term procurement relationships with over 3 Lakh farmers and has 18 State-of-the-art processing facilities with a total processing capacity of 2.65 MLPD that produces products across 18 different categories from Milk to Ice-Creams. It reaches consumers through a vast omni-channel distribution comprising 6,500+ distributors, 800+ Heritage parlours, a growing network of 100+ Heritage Happiness Points, altogether reaching 130,000+ retail stores and all major organized modern trade chains. Additionally, Heritage Nutrivet has an installed capacity of 12,000 MT of cattle feed.

Heritage Foods has built a very strong legacy and brand reputation in a traditional industry by modernising the outlook to business with a unique spectrum of innovations across the breadth of its value chain. Its strong brand affinity with consumers is built on authenticity, superior quality and freshness. The company is ESG responsible with a total renewable energy generation capacity of 10.50 MW, from both solar and wind for captive consumption within its dairy factories and animal nutrition factories. It is poised to sustain differential growth over the industry, benefiting from being in the right place with its distributed network, superior value-added products range and a rapidly growing base of loyal consumers.
