Notes:

- The figures for the last quarter are the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the financial year.
- Consequent to sub-division of the face value of the equity shares in the Company from ₹10 per share to 5 equity shares of ₹2 per share and commencement of trading in the sub-divided shares on 8 October 2021, earnings per share have been computed/re-stated for all the periods presented.
- The Company is challenging the Preferential issue of equity warrants by the Company filed by a shareholder before the Hon'ble Company Law Board (now National Company Law Tribunal), pending since November 2007, has been dismissed as withdrawn in the hearing held on 07.03.2023.
- There has been ambiguity with regard to chargeability of VAT or GST on certain supplies made to a party and therefore no tax is charged on invoices raised for such supplies. The Hon'ble Allahabad High Court has held that no VAT is chargeable on such transactions. This matter is sub-judice before the Hon'ble Supreme Court. GST demand is raised on these transactions from July, 2017 which is contested and is adequately provided as provision for contingencies with corresponding reimbursement asset based on back-to-back understanding by the party to indemnify for any liability that may finally arise.
